Cautions: Safe use in pregnant animals or animals intended for breeding has not been proven. If lameness worsens, discontinue use and contact your veterinarian. Administer during or after the animal has eaten to reduce incidence of gastrointestinal upset.

Satisfaction guaranteed when purchased from a licensed veterinarian.

Product Facts (continued)

For use in dogs only. Recommended as a joint supplement. PhycoX[®] HA Joint Supplement contains a natural source of phycocyanin, multiple antioxidants, and omega-3 fatty acids in a soft chew. PhycoX[®] HA Joint Supplement formula uses only hydrolyzed soy protein as an added feature for pets with dietary sensitivities to larger protein molecules, and does not contain beef, chicken or wheat.
