VETERICYN PLUS® ANTIMICROBIAL EYE WASH (BOVINE)

Vetericyn

VETERINARIAN RECOMMENDED

for irritated eyes suffering from burning | stinging | itching | irritations

- Non-irritating & promotes healthy eyes
- Non-toxic, no withdrawal period
- Appropriate for all animals at all life stages
- No alcohol, steroids or antibiotics

Indications: For flushing and cleaning irritations and wounds to the eye. Use to clean and relieve eyes affected by burning, stinging, itching, pollutants and contaminants. Safe for use on all animal species.

Storage: Store at room temperature away from direct sunlight and heat. Thaw and shake contents before use if frozen. Do not use after expiration date. After use, seal or close dispenser.

Stability: See Expiration Date

Disposal: No special disposal requirements. Vetericyn Plus is environmentally friendly

Ingredients: Active: Hypochlorous Acid (0.009%) **Inactive:** Electrolyzed Water, Sodium Chloride, Phosphates, Sodium Hypochlorite

Directions for Use: Wipe away excess matter that may have collected in the corner of the eyes. Set nozzle to stream setting. Spray 3 times directly into each eye with Vetericyn Plus® Antimicrobial Eye Wash. Apply 3-4 times per day until condition is no longer visible. No rinsing necessary. Use with damaged corneas should be under veterinary supervision.

Use Precautions: For external use only, not for injection. Always consult with a veterinarian for systemic conditions. Discontinue use if irritation develops and contact your veterinarian. For animal use only, not for human use. Keep out of reach of children. Safe if licked by animal. Will not stain and has no harsh chemicals or dyes.

Innovacyn products are manufactured under strict quality guidelines of ISO 13485 and FDA QSR. Vetericyn Plus liquid formula contains Hypochlorous Acid, a known antimicrobial, which serves as a preservative to inhibit the growth of microorganisms in the solution.
