VETERICYN PLUS® ANTIMICROBIAL POULTRY CARE

Innovacyn

VETERINARIAN RECOMMENDED

pecking wounds | cuts | frostbite | vent prolapse

- Non-irritating & promotes healthy tissue
- Non-toxic, safe if ingested
- Safe for chickens at all life stages
- No egg withdrawal period

Indications: Vetericyn Plus® Antimicrobial Poultry Care is intended for the OTC management of skin abrasions, pecking wounds, minor irritations, cuts and intact skin. Safe for use on all animal species.

Storage: Store at room temperature away from direct sunlight and heat. Thaw and shake contents before use if frozen. Do not use after expiration date. After use, seal or close dispenser.

Stability: See Expiration Date

Disposal: No special disposal requirements. Vetericyn Plus is environmentally friendly.

Directions for Use: Clear feathers away from affected area, trim if necessary. Adjust spray nozzle and saturate the affected area, flushing away any foreign debris. If dressing is required, saturate dressing with Vetericyn Plus Antimicrobial Poultry Care at each dressing change. Repeat 3-4 times per day until wound is healed. No rinsing necessary. Faster healing is achieved when wounds are cleaned and maintained moist. Safe for use around the head and sensitive areas.

Use Precautions: For external use only, not for injection. Always consult with a veterinarian for systemic conditions. Discontinue use if irritation develops and contact your veterinarian. For animal use only, not for human use. Keep out of reach of children. Safe if licked by animal. Will not stain and contains no harsh chemicals or dyes.

Ingredients: Active: Hypochlorous Acid (0.0120%) **Inactive:** Electrolyzed Water, Sodium Chloride, Phosphates, Sodium Hypochlorite
Innovacyn products are manufactured under strict quality guidelines of ISO 13485 and FDA QSR. Vetericyn Plus liquid formula contains Hypochlorous Acid, a known antimicrobial, which serves as a preservative to inhibit the growth of microorganisms in the solution.
