

NU CAT™ SENIOR MULTIVITAMIN »

Geriatric formula to support immune, heart, liver, eye, and brain health

Nu Cat™ Senior Multivitamin is specifically formulated for geriatric cats. It is a comprehensive formula that supports cardiovascular, liver, cognitive, eye, joint, and digestive functions. As our cats age, they may need additional nutritional support. **Nu Cat™ Senior Multivitamin** provide these beneficial nutrients in an easy to feed, fish-flavor tablet.

Nu Cat™ Senior Multivitamin provides over 25 ingredients that are not always found in commercial cat foods or ordinary multi-vitamins, including:

- » Antioxidants (A, E and selenium) to fight free radical damage and support the immune system

- » A complete and balanced stress B complex to support mood and memory.
- » Omega fatty acids to support healthy skin and coat, and normal brain function.
- » Taurine, L-Lysine and other amino acids—critical to feline health
- » Vital minerals to support proper composition of body fluids, formation of red blood cells, bone structure support, and to help maintain healthy nerve function

GUARANTEED ANALYSIS PER TABLET (550 MG):

Levels represent minimums unless otherwise stated:

Moisture (max)	4.7%	Vitamin D3	50 IU
Arginine (1.8%)	10 mg	Vitamin E	5 IU
